SUNSTONE™

Sunstone represents the perfect match between lifestyle products and an elegant leather touch. Samsonite's craftsmanship combines 2 different leather touches: plain leather and grained leather details. All of this, completed with a neat business organisation and shiny metal zippers on the main compartments, ensures that this line belongs to the top-notch lifestyle leather products.

- 100% leather, combining grained and natural hide leather.
- Shiny metal zippers, pullers and logo plate to deliver a nice contrast between the matte leather and shiny details.
- Multiple outside pockets characterise the functional design.
- Padded laptop/tablet compartment.
- Detachable leather ID tag.
